Re-Enrollment Starts July 1st, 2014 for the 2014-2015 4-H Program Year in 4hOnline Database

Hello 4-H Families!

The San Luis Obispo County 4-H office uses an online registration program called 4hOnline for our Re-Enrollment and New Enrollment processes for the statewide 4-H youth development program.

**FOR RE-ENROLLING MEMBERS:** It is important that you do not create a new profile because you already have a data profile in the 4hOnline database. Please see the instructions on how to re-enroll in 4-H.

The instructions on how to re-enroll online for your 4-H club for the 2014-2015 4-H Program Year are on the county website: www.slocounty4h.org, click on the Registration Forms and Applications link.

**NOTE:** After you log into https://ca.4honline.com you will need to use the email address that is on file with the County 4-H office. This is usually the email address where you receive the 4-H newsletter. *If your email address does not work in 4hOnline, try typing it in ALL CAPS.*

If you are still having trouble logging into the 4hOnline system, contact the 4-H Office at 781-5943 — or — via the email address: dharris@co.slo.ca.us

**Fees:** The re-enrollment and enrollment fees the 2014-15 4-H Program Year are: $34.00 Insurance Fee for Youth Members and $12.00 for Adult Project Leaders. *Note: Some 4-H Clubs also collect the annual County Fundraiser Fee at the beginning of the 4-H Program Year, which is an additional $16 per Youth Members only.* Fee Payments can not be made online—you will need to give your insurance fee payment to your 4-H Community Club Leader.

Training sessions have been held for your 4-H Community Club Leader and/or Volunteer Enrollment Coordinator (VEC) for your 4-H club for this registration site: https://ca.4honline.com

Check It Out...Our 4-H SLO Scientist Program To Offer Science Activities at Our Local Libraries this Summer!

You’ll want to check out more than books at your local library this summer! Our very own 4-H SLO Scientist program will be partnering with the San Luis Obispo County Summer Youth Program to present some fun and fascinating hands-on science chemistry related activities in conjunction the libraries’ summer theme, “Fizz, Boom, Read.”

Our 4-H SLO Scientist facilitators, Julie Fallon and Cindy Wood will each be offering the one-hour sessions of chemical reaction activities at a dozen libraries this summer to children around the county at the following libraries: Shell Beach and San Luis Obispo Libraries in June; Nipomo, Oceano, Arroyo Grande, Los Osos, Cayucos, Morro Bay, Creston, Shandon and San Miguel libraries in July, and Santa Margarita Library in August.

For details about dates and times for our terrific program, contact any of these libraries on call Heather Dauer, SLO Scientist project coordinator, at 781-5941.

So check it out...along with some reading fun this summer...for a chance to get in some cool SLO activities at your local library!

POSITIVE YOUTH DEVELOPMENT

Online Record Book Surveys are open from May 1, 2014 to August 31, 2014!!!

We would like as many 4-H members as possible to complete surveys in the Online Record Book. It is our way to find out about you and how the California 4-H Youth Development Program is doing overall. To encourage 4-H members to complete surveys online we have established incentives for completing the required Spark Score Questions.

Want a chance to win?

All youth who completed all of the required Spark Score Questions in ORB before January 31, 2014 and who complete all the required Spark Score Questions that are available between May 1, 2014 and August 31, 2014 will receive a $50 gift card in the fall of 2014. So make sure to log on and complete your surveys!

State Ambassador Corner:

Greetings California 4-H, we hope that April showers have brought many May flowers. Since the last update our State Ambassador team has been very busy! State Ambassadors, Rachel and Cole were excited to be able to present at the Statewide Camping Conference, and the rest of the team had an amazing time participating and interacting with other participants. Since the camping conference was held close to the UC Santa Cruz campus, we were able to tour the site of the 2014 4-H State Leadership Conference, including the dorms, assembly hall, dance location, and educational session rooms. We ended the day by visiting the Santa Cruz Boardwalk and beach!

Spring has come and SLC is right around the corner. Each of our committees has been busy finding fun activities, sessions, guest speakers, and designing a logo for conference. We are all excited about how things are looking. It is an amazing experience to see our planning slowly building up to our Raiders of the Lost Leadership Adventure. We hope to see you all there!

In addition to SLC planning we were honored to collaborate with the State 4-H Office staff to restructure the interview process for the 2014-2015 State Ambassador team. The interview was a combination of presentations, and teamwork and leadership skills activities. This full day event included many Thrive initiative problem-solving games. We had a great day getting to know all the candidates. Congratulations to all who were selected to be 2014-2015 California State Ambassadors. The 2013-2014 team is looking forward to being able to work with you for the rest of our term.
On Saturday, April 26, 2014, many members from Templeton 4-H attended the Food and Arts Celebration and Fashion Revue at Laguna Middle School in San Luis Obispo. Food and Arts is a way for members to enter still exhibits such as photography, cooking, place settings, quilts, cake decorating, posters, and stepping stones. Fashion Revue is a way for the sewing project members to display one of their projects for the year by participating in a fashion show.

While it was time for the judges to look at the still exhibits, members went with their assigned groups to five different activities. One of the activities was for members to create toaster tongs using popsicle sticks and a wood cylinder. At the next activity, members got to learn about Scientific Engineering Technology and Geographic Information Systems by looking at maps of their towns and using transparent paper over it to create their dream town. Some even overlapped their drawings to see if they had similar ideas! At the community service activity, members worked in pairs to make a braided rope toy for the dogs at Woods Humane Society, and then each member wrote letters thanking Albertsons grocery stores for their continual support for 4-H. While some members who had to prepare their food, the others played the game “I Love My Neighbor” in order to learn more about each other. Lastly, at the Healthy Living station, members got the ingredients for a healthy soup, made menus for the ideal lunch, and took a quiz to rank four foods from healthiest to least healthy. After everyone finished their stations and had lunch, members could go look at the still exhibits before the awards were handed out. Blake and Hope Fardanesh won division winner for a healthy living project, and Annamarie Anselmi was class winner for her photography and division winner for her quilt.

During Fashion Revue, eight 4-H clubs were represented from around the county. Each participant received either a gold, blue, or red award based on how well they did on their project; and if they win division winner, they have the opportunity to go to state Fashion Revue. Templeton 4-H had many great and unique things to show off during the show. Carly Goldstein rocked a pair of bright pink pajamas, Bailey Van Huss showed off a sweet summer dress, Gillian Umphenour wore a elegant purple and pink gown, Olivia Webb wore a Betty Boop apron, Annamarie Anselmi wore a creative apron with ninjas and flowers on it, Elizabeth Umphenour wore her emerald and ruby red gown, Kayden Mazzo came out with a cute mustache print apron, and Kylee Dutra wore a Zebra print jacket with cool red pants. Everyone did very well and had a great time during the show!

Morro Bay 4-H Holds Annual Farm Olympics
The Morro Bay 4-H club held its annual Farm Olympics on Saturday, May 17th at the Morro Bay 4-H farm. Members and guests participated in a variety of activities including Roping, Tractor Identification, Plant Identification, milking the cow, and an Olympic Relay. A barbeque was also part of the event, followed by making dog toys for a community project, face-painting and craft activities. It was a fun-filled afternoon with beautiful weather! Also a great way to wind down the end of the project year.

Some Morro Bay 4-H club members attended and helped at the 4-H Food & Arts Celebration on April 26. Julianna Johnson was the Poster Division Winner for her class. Amelia Richardson was the Collage Division Winner in her class and the Alternative Scrapbook Winner in her class. Lacey Haas, Emme Haas and Hope Peters from the Morro Bay 4-H also helped.

Estrella’s Day at Tractor Supply
Estrella 4-H had a fun fund raiser on April 26th, 2014. The swine group did a BBQ to help raise money for new equipment for the group. The BBQ was held at the Tractor Supply in Paso Robles. The group also helped sell clovers inside the store. The clovers were for the Tractor Supply 4-H Clover Sale (fundraiser for 4-H) Wednesday, 4/23 through Sunday, 5/4/14. On that day the club helped make the Paso store the number one Clover sale store in the Nation.

Kids Fishing Derby at Santa Margarita Lake
Submitted By Alison Maxwell

Three families from the Camping Project in Templeton 4-H got together and participated in the Kids Fishing Derby at Santa Margarita Lake on April 19, 2014. The event was put on by the Paso Robles Optimists Club, and lasted from nine in the morning to one in the afternoon. They provided gear, such as fishing poles, bait, and nets, to everyone who didn’t have supplies of their own. The kids got to fish until noon, and everyone had a great time.

Caleb Terrel caught the heaviest bass, which weighed more than five pounds, and he won the tournament with that catch! Second place went to Hailey Terrel who caught a four pound fish. Other members in Templeton 4-H, Mark Mitchell and Alexis Mitchell both caught good sized fish. Bailey Van Huss caught a one pound, fifteen ounce fish and tied for the award of smallest catch of the day. After everyone was done fishing, the Optimists Club provided lunch and awards went to every member who participated and others went to the winners of the day.
On Saturday, May 10th, members of the Santa Margarita 4-H Club Dutch Oven Project, Analisa Cavaletto and Valerie Best, participated in the 9th Annual Dutch Oven Cook-off at Patterson Ranch in Lockwood.

At noon, Dutch Oven cooking came to set up and started their meals. At 4 p.m. guests arrived to eat dinner. There were over 70 different meals to choose from including Ana’s Pass-Me-S’more Brownies and Hamburger Roll-ups and Valerie’s Black-bean & Pineapple Stew.

The meal was a fundraiser for Nacitone Regional Interpretive Center & Museum. There was also a blacksmithing presentation and live music. Dutch oven members had a lot of fun and hope to come back next year. - Submitted by Valerie Best, Santa Margarita 4H Club
