2015 4-H FIELD DAY RESULTS

The 4-H Office Staff and 4-H Field Day Planning Committee hopes that everyone had a lot of 4-H fun and received some education at this year’s 4-H Field Day and Silent Auction. We would also like to THANK our Key Leaders and Division Chairs for all of the volunteer work that they did to make this year’s 4-H FIELD DAY another success for county 4-H youth development!

Thank you also to JoAnn Overbey, our County Awards Director for all of the ribbons, plaques and pin awards, and for the gifts for our volunteer Judges as well! (For a list of the 4-H Field Day Winners, see below, and pages 3 & 4).

If you would like to be on the 4-H Field Day and Silent Auction Planning Committee and want to help plan next year’s county 4-H Field Day—please contact the 4-H Office at (805) 781-5943.

### Food & Arts Celebration News: April 2015

On April 25, the annual Food & Arts Celebration was held at Laguna Middle School in San Luis Obispo, despite the early morning rain. Many members participated in the event, including entries in scrapbooks, place settings, posters, foods, creative arts, and fabric creations. There was also a rotation that occurred; children participated in several acts of citizenship and community service for around 3 hours until lunch. Lunch was prepared by several kind volunteers and was served outside for an inexpensive amount. Afterwards, awards were given out and many members were rewarded with golds and division winner ribbons. Fashion Revue followed close after, and members modeled their handmade clothing for the audience and received their awards. It was an amazing, productive day! 4-H SLO SCIENTIST PROGRAM

Become a 4-H SLO SCIENTIST Volunteer Facilitator!

Training Session to be offered on Wednesday, 9/23/15
4:00 p.m. — 6:00 p.m. in the UCCE Auditorium

San Luis Obispo County 4-H SLO Scientist Youth/Adult Science Clubs are looking for adult volunteers and teen leaders to help facilitate hands-on science activities for their enthusiastic members. This is a great opportunity to become involved with children and adults in the community!

- The SLO Scientist Club is made up of seven to ten teams
- Meets two evenings a month
- Explores such topics as earthquakes, soil and water, chemical reactions, food and plant science
- Materials are provided
- You don’t need to be an expert in the field of Scientific Topics

For more information about volunteering for this terrific program, please contact Heather Dauer, San Luis Obispo County 4-H SLO Scientist Project Coordinator at 781-5943.
On Saturday, April 18th, SLO County’s 4-H Management Board held 4-H Family Fun Day. It was a lot of fun! Our County Horse Project Leader, Tracy Johnston, along with 4-H members Amber, Mikayla, Adeline, and Peyton set up a fun rotation of roping steer and calf dummy heads and goat tying with a fake goat. We also did roping off of a fake barrel horse, it was almost as fun as riding a real horse! We had pole bending and barrel racing on stick horses. Tracy even got Denise Harris and Krysti Jerdin from the 4-H Office up on the horse. It was a very fun event!

Amber - SLO County 4-H Horse Reporter
Hello, SLO County 4-Hers!

A huge thank you to all the supportive 4-Hers who donated to the SLO Women’s Shelter so generously in the past 4-H year! We made a total of seven (7) donations, totaling up to an estimated value of $2,600.

The project has been a huge success and benefitted the Women’s Shelter tremendously.

Thank you for all your generosity,
Olivia Snodgrass
Huasna Valley 4-H
The three members, Mackay, Carla and Stella of the Cambria Horse Project participated in the 4-H county horse field day, April 19th. All three of these riders entered the walk trot division. English riders competed in the morning, followed by the showmanship class. Western classes were held after lunch. Mackay had a great ride on her horse Jimmy, and won high points as the Western walk trot champion. Carla and Stella rode all seven classes and won high points for English walk trot champion and reserve champion. Needless to say it was a great triumph for our club and a very fun day all around!

The following weekend, April 25th, several members of the Cambria 4-H club participated in the Food and Arts Celebration and the Fashion Review in San Luis Obispo. Ruby, in her very first year of the baking project, took first place in the junior traditional baking division with her delicious lemon bars. Angelina won her healthy change baking division with her tasty scones. Carla and Stella entered baked goods as well as animal treats and won gold seals for their entries. Patty and Michelle, and Meg earned gold seals with their Trash to Treasure entries and Patty won her division. Meg, Angelina, Michelle and Patty earned gold seals for their sun catchers in the arts and crafts division.

Angelina, Michelle and Patty also entered sewing projects and modeled them in the Fashion review, each earning gold seals and pins.
On April 25, 4-H members from all over San Luis Obispo County attended the annual Food and Arts Celebration and Fashion Revue held at Laguna Middle School in San Luis Obispo. Members of projects such as Arts and Crafts, Sewing, Quilting, Photography, Cooking, Cake Decorating, and Scrapbooking entered items they had worked on all year. Items entered included cakes, aprons, pajamas, dresses, scarves, photographs, posters, healthy meal options, scrapbooks, quilts, place settings, and “trash to treasure” crafts.

The 2014-2015 4-H All Stars made opening announcements and then had participants break up into groups. Each group went to participate in multiple activities throughout the day so that the judging process could take place. One of the activities was a community service project where members decorated paper bags. Inserted into each bag was a pot, a packet of wildflower seeds, a glitter glue stick, and a sticker. These bags would be donated to a local hospital or women’s shelter. Members were shown how to make an Arts and Crafts flower pin using a coffee filter and colored pens. Another activity room was set up to teach members about healthy living. Each member was taught how to make a bag of trail mix as a healthy snack alternative. A judging opportunity was set up to let members guess how much sugar is in everyday food and drinks such as lemonade, peanut butter and jelly sandwiches, and Twinkies. The Science, Engineering and Technology activity offered a game activity focused on the effect humans and their decisions have on the habitat of birds. And the last available activity was where members played games to get to know each other. Each group was made up of members from different clubs so that everyone could meet new friends.

After a hot dog lunch was served, members and their families went back to the auditorium for the awards ceremony. All participating members were recognized for their entries by the All Stars, and then the division winners were announced. Member Denise Carigo awarded a plaque in honor of her mother, Maggie Carigo, to Mikayla Nations for the Best Photograph of the competition. The Templeton Club celebrated winners Emily for Class C Cake Decorating, and Bailey for Class B Digitally Enhanced Photograph.

Spreading the Word About 4H

The month of May brought Estrella 4-H Club many opportunities to act as Ambassadors for SLO County 4-H. On May 22nd two members of Estrella 4-H attended an Ag Day at Lillian Larson to talk to the children about 4-H and the different projects that are available. Then, on May 30th a member of Estrella 4-H participated in an event at Heaven Can Wait, a horse rescue facility. The event is called Adventures with Horses and gives children who have never interacted with horses the opportunity to learn about how to handle and care for them. Estrella 4-H looks forward to more opportunities to help spread knowledge about 4-H as a whole and give more children the opportunity to join.

Templeton Dog Project Easter Egg Hunt
By Alison—Templeton 4-H Club

On March 31, the Templeton 4-H Dog Project held their 8th annual Easter Egg Hunt at Templeton Park. Members with their baskets and their dogs combed through the park hunting for over one hundred hidden Easter Eggs. Project leader, Amanda Van Huss, said she really enjoys this event because it is a way for her project members to have a little fun with their friends and their dogs before beginning practice for the upcoming Canyon Country Dog Show.

Templeton 4-H April General Meeting
By Alison—Templeton 4-H Club

On April 1, Templeton 4-H held their General Meeting. The officers started the meeting by thanking the Cake Decorating Project for their community service by baking cupcakes to serve at the Legion Hall Valentine’s Day Dinner. Information on this year’s Field Day was given. It will be held on May 30 from 8:00 a.m. to 1:30 p.m. at the Paso Robles Event Center. Entry forms must be turned in by May 15.

There were three project demonstrations. The first was the Goat Project. The members played a game of “The Price is Right” with items all related to goat care and showing such as a goat jacket, trimmers, clippers, a halter, a probiotic, a lead rope, a salt block, medicines, and an actual goat. Members were asked to guess the price of each item. Karen Reyes, the Cake Decorating leader, won over five opponents. The next project demonstration was the iThrive Project. They demonstrated the “6 C’s” of their group agenda. They are contribution, connection, caring, confidence, competence, and character. Their point was that living people would be successful in life if they followed the rules of the “6 C’s”. The last demonstration was the Beef Project. They used a power point display to show different types of cattle and the attributes of each of them.

After the officers finished with club business, it was time for Recreation. The Recreation leaders continued with their 4-H Olympics theme, and the game of the month was “roping a steer.” The audience was very entertained by watching audience volunteers take their two chances to rope a practice steer head to win points for their team.
My name is Charles, I am a member of Morro Bay 4-H. I have been in the Leadership Project for 4 years. I have been lucky to be the Sargent of Arms for twice, Healthy Living Officer and Treasurer. These are some things I have learned from being in the Leadership Project.

- It's important to be organized.
- How to talk in front of a group of people. (It's really not as scary as you think.)
- What it means to lead by example.
- It is important to listen to what other people have to say.
- Fairness is important. It's great when everyone gets a chance to be involved.

There is more for me to learn, more for me to see and more for me to experience. I would encourage others to join the Leadership Project and see what you can learn.

My name is Charles, I am a member of Morro Bay 4-H. This is my second year in the Swine Project. I really enjoy raising pigs and these are a few of the reasons why.

- Pigs are similar to dogs. You can train them to do things like sitting and laying down for belly rubs.
- Instead of barking to let you know they want something they snort.
- Pigs are very lovable.
- Pigs have different personalities. Some are laid back and calm while others are energetic and strong willed.

If you get a chance to come to the California Mid State Fair, I hope you stop by to see the pigs.

My name is Charles, I am the Treasurer for the Morro Bay 4-H Club. Every Monday a group of volunteers provides a warm, nutritious meal to those in need at the Veterans Hall in Morro Bay. In April my 4-H Leadership Group was given the opportunity to provide the food and served dinner at the Veterans Hall. I saw a lot of people who needed a warm meal. There was a family with a child my age, some elderly people and some people my parent’s age. Some people were homeless but most just need a warm meal. Before we went there I didn’t realize that there were people who had to choose between paying for a place to live, water and electricity or having good food to eat. This experience made me thankful that I have everything I need. I hope more kids get to experience this too. My experience helping those in need has motivated me to do more for my community.

My name is Charles, I am a member of Morro Bay 4-H. Last weekend I attended San Luis Obispo County’s 4-H Field Day in Paso Robles. I entered a welding project and took my swine level test. I saw sheep, goat, and chicken and rabbit showmanship. There were a lot of arts and crafts projects like quilts, bird houses, stepping stones and photographs. It was a lot of fun to see what projects other 4-H members did.
