Re-Enrollment & New Enrollment starts July 1st, 2015 for the 2015-2016 4-H Program Year in the 4hOnline Database

Hello 4-H Members and Families!

The San Luis Obispo County 4-H office uses an online registration program called 4hOnline for our Re-Enrollment and New Enrollment processes for the statewide 4-H youth development program.

FOR RE-ENROLLING MEMBERS: It is important that you do not create a new profile because you already have a data profile in the 4hOnline database. Please see the instructions on how to re-enroll in 4-H on our website. The instructions on how to re-enroll online for your 4-H club for the 2015-2016 4-H Program Year are on the county website at: http://ucanr.edu/sites/slo4-h/Club_Forms/

NOTE: After you log into https://ca.4honline.com you will need to use the email address that is on file with the County 4-H office. This is usually the email address where you receive the 4-H newsletter. If your email address does not work in 4hOnline, try typing it in ALL CAPS. If you are still having trouble logging into the 4hOnline system, contact the 4-H Office at 781-5943 — or — via the email address: dharris@co.slo.ca.us

Fees: The re-enrollment and new enrollment fees for the 2015-16 4-H Program Year are: $50 for Youth members ($38.00 State 4-H Insurance Fee plus a $12 County 4-H Program Fee); and $14.00 for Adult Project Leaders. NOTE: Fee Payments can not be made online—you will need to give your 4-H insurance fee payment to your 4-H Community Club Leader along with your Medical Treatment Authorization forms that you print out from 4hOnline.

Training sessions have been held for your 4-H Community Club Leader and/or Volunteer Enrollment Coordinator (VEC) for your 4-H club for this online enrollment registration site:

NEW STATE 4-H POLICY FOR 2015-2016

This document is being implemented in this new 2015-2016 4-H Program Year. It has been sent to your 4-H CCL and is posted on our website under Registration Forms. For questions, contact the 4-H Office at (805) 781-5943.

Dear 4-H Community,

What does “member in good standing” mean for you as a 4-H member? What about “project completion”? These and other terms are common in 4-H but there are different requirements across clubs and counties. To help make the 4-H experience fair for every member regardless of which club or county they participate in, the 4-H Policy Advisory Committee which includes 4-H members, adult volunteers, and 4-H YDP staff underwent the task of not only defining these terms but also documenting the Steps to Success in 4-H.

This document outlines:

- What member in good standing means,
- What is required for project completion,
- How members earn a year stripe and pin,
- Club participation standards,
- Requirements to exhibit at fair,
- Participation in 4-H events,
- And, ways to earn recognition in 4-H.

As a statewide program delivered locally, we set out to standardize some key aspects of the program while allowing some flexibility at the local level. For example, six hours of project instruction is required but project leaders may require more based on the project and goals. Please review this document for more information so you know the steps to your success in 4-H. The new Steps to Success in 4-H and associated policy changes are effective July 1, 2015. We hope you find the Steps to Success in 4-H helps make your 4-H experience the best it can be.

Warmly,

Shannon Horrillo
Associate Director of 4-H Program and Policy

STATE LEADERS FORUM
November 6—8, 2015	SAN DIEGO

The State 4-H Leaders Forum provides a weekend retreat for 4-H volunteers across California to gather for networking, education, relaxation, and fun.

Volunteers of all ages, experiences, and locations share this opportunity to further their volunteering "career," find new inspirations, and bring new ideas home to their counties and clubs. The conference is sponsored by the State 4-H Leaders’ Council and the 4-H section planning the conference.
