Creston 4-H Lends a Hand at Wildflower Bike Ride
By Bailey D.

Winter rains brought an abundance of beautiful wildflowers to the Creston area this year. On April 8th, members of Creston 4-H began parking cars at the Creston Classic Rodeo grounds for the San Luis Obispo Bicycle Club’s annual century bike ride. Hundreds of cars and trucks poured in to the previously quiet town and within an hour and half, the entire rodeo grounds were full. Riders from across California came to enjoy the beautiful colors on the hillsides as they rode the rural back roads of Creston.

The entire town of Creston rallies around the bicyclists to help this event be successful. Creston Elementary students sell coffee and treats at the school the morning of the bike race and the Creston Women’s Club hosts a spaghetti feed the night before the race to benefit the Creston Women’s Club Scholarship Fund. This dinner event has many Creston 4-H volunteers each year as well. Creston 4-H appreciates the opportunity to serve this community and help this bicycling event be a success.

Come find out what Creston is all about! This well-organized and fun group meets the first Wednesday of the month, starting in September, in the multi-purpose room at Creston Elementary School on Swayze Street in the heart of Creston. Meetings start at 7. See you there!
Creston 4-H Cleans Up a Historical Piece of Property
By Bailey D.

On Saturday, April 15, 2017, in honor of long-time resident, Bob McDonald, who sadly passed away, 15 members of the Creston 4-H Club volunteered to the annual Creston Cemetery cleanup. Starting at 10 a.m., they trimmed grass, shoveled dirt back onto the graves, and completed many other general tidying up around the cemetery. On April 30, the Creston 4-H Club had a second cemetery clean up with 28 members volunteering. Again, they completed the same tasks as they did April 15. Creston 4-H members have been taking care of the Creston Cemetery for 13 years as a Community Service project. The cemetery dates back to the mid-1800’s and is an authentic piece of Creston history located on Little Farm Road.

Thinking of joining 4-H? Come try Creston 4-H the first Wednesday of the month starting in September. We meet at the Creston Elementary School on Swayze Street in the multipurpose room. Meetings start at 7. See you there!

California 4-H Horse Classic

Our SLO County riders and their project horses performed wonderfully at the 2017 California State 4-H Horse Classic June 21-25 at the Murieta Equestrian Center in Rancho Murieta. The state show offers 4-H members the chance to showcase the culmination of their efforts put into in their equine projects throughout the year.

Payton A. and Pokey from Creston 4-H rocking the over fences show, placing 1st in both of the 2'6" equitation classes, earning a clover medal, and placing 4th in both jumpers and working hunters.

Julia R. and Jimmie from Templeton 4-H placed 1st in Junior Western showmanship and equitation, 2nd in Western Pleasure, 4th in horsemanship and trail. Julia earned Western Reserve Champion Junior for California!

Two Nipomo 4-H riders competed in both the Western and Gymkhana shows. Lacey A. and Mistress placed 8th in Junior Western showmanship, 5th in equitation, 4th in western pleasure, 6th in the open western riding class, and 3rd in open reining, earning a clover medal. At the Gymkhana show Lacey and Mistress earned 2nd place in quadrangle and 3rd place in birangle, speed barrels, cloverleaf barrels, and Washington poles in the Junior division.

Shayna A. rode Reno in the Senior division for the Western show, placing 3rd in the open western riding class, and riding a fantastic reining pattern! Shayna rode her second project horse, Chickadee, in the Senior division Gymkhana, placing 1st in cloverleaf barrels, 2nd in birangle, quadrangle, speed barrels, and Washington poles; and 3rd in single stake. Shayna is our Champion Senior Gymkhana rider for California 4-H!
On February 13th, 43 youth from five In-school 4-H Student Nutrition Advisory Clubs (SNAC) across San Luis Obispo & Santa Barbara counties came together to participate in and lead parts of the SNAC Leader Training. The 5th and 6th grade youth took on varying leadership roles, from formally welcoming youth from other schools to leading the 4-H Pledge in English and Spanish. Throughout the day, youth had the opportunity to participate in trainings of their choosing from Gardening, to STEM, to Community Service with the Humane Society. The training culminated with the youth preparing and cooking a meal for their families (approximately 120 people). In collaboration with the Rice Elementary School cafeteria manager, the student leaders chopped and roasted vegetables, browned meat for a skillet spaghetti recipe and prepared refreshing strawberry mint water.

Throughout the day, youth were encouraged to reflect on their role as a Leader and whether they were prepared and ready to teach the training topics to their peers or community. As a result of the training, 9 youth expressed that they were ready to teach Public Speaking skills, 10 were ready to teach about Gardening, and 19 were ready to teach others how to use STEM concepts to make a robot. After the training and the family dinner, youth earned a 4-H Leadership pin and were pinned in front of their families.

Each of the SNAC clubs meet weekly at their respective school sites and continue to build on the momentum of the training. Projects include Photovoice, Salad Bar Ambassadors and Food Preservation.
