**Important County Record Book Judging Day Information**

All Officer Books and Records Books wishing to be evaluated for a County Record Book Medal are **Due**

**Friday – August 17**th **by 5:00 PM in the 4-H Office**

**Additional COUNTY RECORD BOOK JUDGING Information**

Record Book Judges **Training**: Thursday – August 23rd 7:00 PM – 9:00 PM

First day of Record Book Judging: **Friday – September 7**th **9:00 AM – 4:00 PM**

Second day of Record Book Judging: **Saturday – September 8**th **9:00 AM – 4:00 PM**

All of the above meetings will be held in the UC Cooperative Extension (UCCE) Auditorium located at: 2156 Sierra Way, SLO, CA 93401 – Entrance is at Parking Lot Level

As most of you are aware, last year was the first year the counties used the New Club and County Record Book Evaluation sheets. When it came to County Record Book Judging Day, we knew that after last year’s event we were going to have to adjust how we have traditionally done County Level Record Book Judging.

This year’s County Level Record Book Judging will be a full two-day event. We will do all the record book evaluations downstairs in the UCCE Auditorium. Because there were significant obstacles last year, we all need to be in one place. I will be able to better oversee the entire process, as everyone will be in small groups. We will set-up Table Groups around the room – and since the requirement from the State 4-H Office is that each Record Book Evaluator act independently there should not be an issue with noise.

Because the new Evaluation Form is so different from what we are used to, everyone who signs up to judge record books at the County Level **MUST have participated in a club level record book evaluations/judging process**. Unfortunately, our time is limited, and the new process takes longer to judge and process each record book submitted. Prior Club Level Record Book judging experience will **be very important for each person**, in order for us to be able to judge and process all record books submitted within this two-day time frame - September 7th and 8th.

This will be a different process than we are used to, and I hope we are able to get a good turnout of club level experience Judges for County Record Book Judging Days.

**Here are the requirements:**

- Must have judged Record Books at the Club Level
- Must be able to stay for the entire day – RSVP which day you can Judge on: 9/7 or 9/8 2018
- Must have either attended last year’s Record Book Training (the office has the sign-up sheet) or attend this year’s training on Thursday, August 23, 2018 from 7pm – 9pm.

A nice Panera lunch will be provided each day.

**Pre-registration/RSVPs will be required** as the Auditorium has limited space, and we will need to make sure we have a balanced number of Judges signed up for either one of the days.

**RSVP by calling the 4-H Office at (805) 781-5943 or via email to: dharris@co.slo.ca.us**

4-H Food & Arts Celebration and the Fashion Revue was held on Saturday April 28 2018, at Laguna Middle School San Luis Obispo. Thirteen clubs participated in the event. Seventy Five members participated in Food and Art, and Twenty Seven participated in Fashion Revue.

I think the highlights of the whole entire day was the Awards Ceremony. From my club; Canyon Country, we had the following division winners:

Chessa Foster Consumer Science
Chessa Foster Animal Nutrition
Henry Knight and Hanah Gill Cake Decorating
Henery Knight Food Preservation
Nick Lepore Trash to Treasure

Throughout the day we walked around to different classes, doing activities. One activity we did was community service; we filled purses with items that will be useful to women at the Women’s Shelters. In another class we learned about Engineers and what Engineers do. Once all the classes were over we had lunch, then there was the Awards Ceremony and the Fashion Review.

I participated in the Fashion Review, it was scary to go up on stage yourself, but fun to see the projects other people made. At the end we all cleaned up, putting chairs away and ensuring everyone grabbed their entered items.

Overall the day was a good day. I personally received some awards and two new pins for my hat. Now I can enjoy the sewing project I made; an apron for when I show my pig at Fair. I am looking forward to Field Day June 2, 2018 at the Paso Robles Event Center.

Nipomo 4-H participated in the Food and Arts Celebration on April 28th. It was a fun event day. I really enjoyed the two service projects we got to participate in. One project was making cat toys for the humane society and the other was packing purses for the women's shelter.

EDNA 4-H CLUB

It is a widely known fact that one of the corner stones of 4-H is its commitment to the community and providing assistance to those who need it most. That trait was made especially prominent on Sunday, May 6th, when the Edna 4-H and Playa Del Sur 4-H clubs collaborated to raise money and resources for the latter club. After being affected dramatically by the recent mudslides in the Montecito area, Edna chose to donate $243.00 to help buy Playa Del Sur new equipment, as well as, hold a fundraiser to collect donations from the members. Everything from pitchforks and hoses to metal clasps and vet wrap were given, both new and used, by those in Edna and their families.

The club leader, Ron Viera, along with the members and other adult leader that accompanied him, expressed extreme gratitude for Edna’s efforts. “People around our area have been asking us what we need,” said Rob as he described his club’s recovery from the mudslides. “And it’s hard to be specific because we need everything”. He went on to describe the ways in which they were making repairs, such as receiving a donation for new metal sheep pens and having parent participants help in rebuilding tool sheds. Both clubs were thrilled at the donations that were raised and are pleased to know that it will help a great deal in restoring Playa Del Sur to its former state. Thank you EDNA for making a difference

The 2018 SLO County Fashion Revue was a big success!

Over 28 4-H members from 6 San Luis Obispo county clubs showed their clothing and textile talents at the SLO County Fashion Revue on April 28 at Laguna Middle School. Members from all age groups: Primary, Junior, Intermediate, and Senior participated. A variety of creative outfits were presented in this year’s categories:

Traditional- Members sewed 1-2 garments themselves! There were dresses, skirts, pants, coats and more! Each participant coordinated their outfit with accessories.

See It, Sew It- This category required the 4-H sewer to include a picture of a garment or outfit from the internet or magazine and then copy it. So much talent on the Laguna Middle School stage!

Retro/Vintage- Members really embraced this new challenge! Sewing group members could make a garment or an entire outfit using an inspiration from any time period from between 1900-2000. This made for a creative and interesting fashion show!

Consumer Science $40 Purchase- the only “non-sewing” category and open to all 4-H members. Participants modeled their ensembles they purchased for under $40. Everything worn by the model (including shoes and accessories) had to coordinate and be under the $40 total limit.

All sewn garments were judged for construction before Fashion Revue. Saturday’s event started with craft and community service activities. Over 15 handmade pillowcases were donated to the Ryan’s Case for Smiles project from SLO County sewing groups. Members also submitted posters for judging. The 4-H members modeled their garments in front of judges and were evaluated for fit and presentation. The Fashion Show showcased the 4-H member modeling their outfits on the stage in front of friends and family. Each child was awarded a pin for construction and modeling. The following participants won their Division and are eligible to compete at the State Fashion Revue at UC Davis on June 2. Let’s wish them lots of luck in representing SLO County!

Bella B.: Traditional, Intermediate
Kensington W.: See It – Sew It, Intermediate
Penelope K.: See It – Sew It, Senior
Mia B.: Retro/Vintage, Junior
Aria O.: Retro/Vintage, Intermediate

Estrella Horse Project Community Service

The Estrella Horse group has had a busy month. For the second year in a row, we helped the SLO County Quarter Horse Association set up for their annual Mother’s Day Horse Show BBQ at the Fairgrounds. Some of us also helped out at the awards booth on Mother’s Day, the last day of the show.

Then, the following Sunday, we all went out to the Equine Rescue Center. We spent the afternoon meeting the horses, learning about the facility and how we can help out in the future. We will be volunteering there regularly from now on.
On Thursday, May 10th the Nipomo 4-H club members assisted with the Guadalupe Boys & Girls Club Field Day. Our members demonstrated how to begin plants by placing starts in paper cups. Other 4-H members shared their small animals with the youth. Everyone really enjoyed the various presentations & were happy to visit from one station to the next.
