Food & Arts Celebration and Fashion Revue

What is Food & Arts Celebration?

Food & Arts Celebration is a fun annual event where 4-H members can showcase their project work, learn and apply new skills, and earn recognition.

Food & Arts Celebration entries include many kinds of arts and crafts, food items, photography, posters and collages, scrapbooks, quilting, textile arts, and cake decorating. While entries are being judged, members participate in a variety of fun activities that involve food, arts and crafts, and sewing. They also learn about selecting and preparing foods that support *healthy lifestyle choices*.

What is Fashion Revue?

Fashion Revue, which happens together with Food & Arts Celebration, includes an exciting Fashion Show where 4-H members model garments they made in their Clothing & Textiles or Fashion Revue project group. Prior to the show, garments are judged for construction, and then members are interviewed by the judges and may choose to model their garments for the audience. Participating in Fashion Revue is a great way for members to showcase their work, as well as practice *communication skills* and build *self-esteem*!

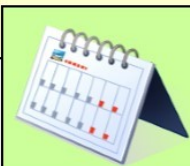

Food & Arts Celebration and Fashion Revue are usually held the last weekend in April.

Sounds great - Sign me up!

If you are interested in participating in Food & Arts Celebration or Fashion Revue, contact your Community Club Leader or Project Leader for a registration packet

also encourage everyone to come and support your fellow 4-H members by viewing their entries and rooting them on during the Fashion Show.

"TOTES FOR HOPE"

This project is to provide New Totes to Children in the Foster Care System in San Luis Obispo County. There are currently over 370 children in Foster Care in San Luis Obispo County.

When children are placed into Foster Care, or — are moved to new housing, most of them have nothing to put their belongings into. They usually have to use black garbage bags. I am hoping that the 4-H Members in San Luis Obispo County 4-H Clubs would donate a New Tote for these children in Foster Care, and help them to foster a sense of self-worth about themselves.

A Donation Box will be available at the County 4-H Office located at the University of CA Cooperative Extension office at 2156 Sierra Way Suite #C, San Luis Obispo 8 am — 5 pm. Turn to your right as you enter the door for the 4-H Office counter.

Call Ava M. (4-H Member) or Jennifer M. (Mom) at 805-458-0216 and we will come and pick up your New Tote Donations.

4-H Members can donate at their Monthly Club General Meeting and also at 4-H County Events.

Adobe Nipomo Shooting Sports hosted a cross club Hunting Skills project which included Adobe 4-H, El-Camino 4-H and Nipomo 4-H members. The project was held at the Nipomo Library Friday Nov 1, Saturday Nov 2, and Sunday Nov 3 for a total of 12 hours of instruction on Hunting skills, Wildlife Conservation and Survival. 23 people (parents and youth) attended, 11 of the youth being 4-H members. We invited Lt. Dostal from the California Department of Fish and Wildlife to speak on Sunday. Lt. Dostal provided an outstanding experience for all the youth to actually meet and ask questions to a Law Enforcement officer. He provided information on laws, conservation, endangered species and local wildlife. All students taking the class passed the Hunter Education course and received their Hunter Education certificates. The 4-H members also received certificates and pins for completion of the Hunting Skills project. The class was treated with delicious cake, brownies, snacks, fruit, drinks and laughter. 2019-2020 YOUTH OF DISTINCTION NOMINATIONS

DISTINCTIVE YOUTH LEADERS in 2019-2020!

The San Luis Obispo County 4-H Youth Development Program is excited to announce our countywide awards program — **"4-H Youth of Distinction!"** The **4-H Youth of Distinction (YOD)** Award focuses on honoring 4-H members who demonstrate leadership skills in their 4-H clubs, schools and in the community.

The **4-H Youth of Distinction** Award is achieved by being selected via a nomination process. 4-H members are nominated by any adult volunteer (excluding family members).

Note: All 4-H YOD Nomination Forms must be approved by the nominee's 4-H Community Club Leader. Nomination forms must be received in the 4-H office by Friday, January 31, 2020.

The **4-H Youth of Distinction** Award recognizes 4-H members in three different categories/grades: (6th, 7th); (8th, 9th); and (10th, 11th, 12th) along with the 4-H Member's 4-H Star Ranking. Nominees will be evaluated; and **20 youth will be selected to receive the San Luis Obispo County 4-H Youth of Distinction Award!**

Youth of Distinction Award recipients receive a special Storyboard Format (16 x 20) reflecting their leadership abilities and other interests outside of 4-H; **however, we are informing families that if you would like the YOD Storyboard Award format (see Sample below), you will need to pay the YOD Photographer approximately \$60.00.** Many families enjoy having the YOD Storyboard for memories to share with family and friends, or to give as gifts to grandparents, or other family members.

The selected 20 Youth Of Distinction award recipients will receive a **Free 5 x 7 Photography Studio Sitting Portrait from Leslie Bryson of Focus Point Images upon receiving the YOD award.** At 4-H Achievement Night, the YOD recipients will also receive a Pin and Certificate for this county-wide distinctive award.

A letter providing detailed information along with the Nomination form will be sent to all SLO County 4-H Community Club Leaders and **the YOD Nomination form can also be accessed on the county website.**

NOTE: If you have any problems accessing the 2019-2020 YOD Nomination Form, contact the 4-H Office at (805) 781-5943 or via email at dharris@co.slo.ca.us

SLO County Clover Hoppers

an Emerald Star Project by: Elsie Ehrheart

Hi everyone, my name is Elsie Ehrheart. I am 14 years old. I am a freshman at Heartland Charter School. This is my sixth year in the Cerro Alto 4-H club; and, I love that 4-H is such a big part of my life. So far, my 4-H projects have included: Rabbits, Cavies, Dog Care, Horse, Dairy Cattle, Meat Goat, Poultry, Quilting, Mindfulness, Arts and Crafts, Photography, Drama, and of course Leadership. I have served as a club officer, and have been a chairman/member for numerous club & county committees, and I am heavily involved in community service.

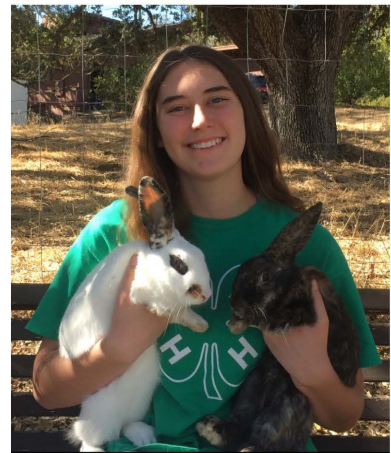

This year as my Emerald Star Project, I'm going to be putting on a Rabbit Hopping and Agility event. The purpose of this project is to offer a non-stressful event, and to introduce to our 4-H community a new and fun sport for rabbits. Any breed or size rabbit can enjoy Hopping/Agility, and any age member can too. It's just fun.

I will be hosting a few learning / training demonstrations and I'm inviting 4-H'ers of all ages to participate in my events.

Please consider joining me and my committee members for our first demonstration of rabbit hopping and agility at Small Animal Field Day this January 25th 2020, at Camp San Luis.

Thank you.

4-H CLUB NEWS

Cerro Alto had its first Mindfulness Project meeting on Sunday November 10th. We started our meeting with our club community service project: writing holiday cards to veterans at Walter Reed Memorial Hospital.

Then, we split into groups to make beautifully colored soap, and maple-nut-sugar body scrub (it smelled delicious).

I was in one of the groups that made soap. My group made cotton-candy scented and colored soap. We first had to chop up blocks of soap base into small chunks that were easier to melt; then, we mixed in color pigment and scents. We had to work quickly, since the soap cooled down fast and got hard. After that we poured it into molds, and swirled it around to make pretty designs. It was really fun and relaxing.

All and all we had a great time together making jokes, and staring at the sparkling pigments for way too long. Next meeting, we will get to see our finished soaps and take them home.

4-H CLUB NEWS

Parkfield 4-H had their yearly Mystery Trip, November 17, 2019. We started the day off with Donuts! As a group, we drove up to San Ardo. The first stop was Eade's Grow Yard for cattle. Evan E. gave a speech about the cattle industry and how they mix the feed ration. It was interesting to hear that they get cattle shipped over by boat from Hawaii. We then drove to our 4-H Community Club Leader's (Marlene Thomson) home where she was born and raised. From there, we went to Tully Hall to stuff shoe boxes for kids all over the world that are not as lucky as us. We, as a group, helped all the volunteers make up boxed goodies! We worked hard to make as many boxes as we could — for the time we were there. Last year's total was 2,800 and this year's goal was 3,000. When we left, the amount of boxes packed was at 2,000. Parkfield 4-H helped make a kid's Christmas special! We went to King City to the Monterey County Agricultural Rural Life Museum. We walked through and saw the first car that was made in 1885. We even were able to take turns milking a cow, she was fake of course! There was so much history, that we learned about how jobs were like in the 1800, and early 1900. The group ended the day off at the park playing and eating lots of pizza. Attending were: Victoria S., Ann E., Dianna S., Grace E., Wanda K., Sid K., Adison R., Yelene S., Kaylen S., and Anthony S. Cerro Alto 4H was honored to be asked to participate in the historical reenactment of Tent City in Atascadero during their Colony Days Celebration. Tent City is a hands on "learn by doing" town depicting what life was like in 1916 when Atascadero was founded. Hundreds of 3rd graders are brought on Friday during school and rotate through the various tents with activities such as making butter and apple cider, doing laundry, and at the 4-H tent feeding lambs and chickens and weighing eggs to grade them. We also taught the history of how 4-H started, the importance of agriculture, and how children have made a difference in our communities by being open to scientific progress and by being excellent teachers. On Saturday, we were open to the entire community of Atascadero and we were able to teach young and old and share our stories. I'm proud to say that our tent received the award for the most historically informative tent this year. I hope you enjoy some of the photos we took.
