APRIL 2006

A MONTHLY NEWSLETTER FOR 4-H MEMBERS, LEADERS & PARENTS IN SAN LUIS OBISPO COUNTY

## COMMUNITY PRIDE OF 4-H

**W**ow! News & Views has received quite a few articles from SLO Co. 4-H Community Pride project members and leaders. There is obviously a lot of pride in our communities out there, so take a moment and read all about it.

**S**uzy Evangelista, Templeton 4-H Community Pride Project Leader writes,

“Templeton 4-H took it upon themselves to walk both sides of Main Street, Templeton to pick up trash. This took place Saturday, February 4th. Everyone had a great time. We collected 11 bags of trash and one broken metal chair. Templeton 4-H, (*Comm. Pride 4-H members pictured above left*), will be out again on Main Street keeping Templeton streets clean.

**M**aria Saucedo, Nipomo Foothill 4-H, sent in this picture at the lower right. Maria said,

“It would be awesome for my kids to see their pic in News & Views.” The Nipomo Foothill 4-H were the judges favorite during the 2005 Grover Beach Holiday Parade. It looks like they have a lot of pride in participating in community events.

**J**eremy Moring, Estrella 4-H Comm. Service Teen Leader was very excited and wrote, “Well folks, it’s official! Estrella 4-H Community Service Project group has adopted the Vineyard Hills Health Center as it’s “target” for their “Operation Cookies and Cards.” Project Leader, Pam Moring, met with Activities Director, Judy Gaines, at the Center on Valentine’s Day, February 14th and set up a sched-

ule of dates that our club will be furnishing treats for the residents who live there. *Continued on page 3.*

## Mid-State Fair Feedback Wanted!

**T**he SLO Co. 4-H Management Board Mid-State Fair Livestock Committee is asking for feedback from any exhibitor, project leader, parent, or club leader on a couple of issues. However, for your information, the Mid-State Fair Livestock Committee decided that blocking chutes are back in place at the ratio of 1 chute per 3 Beef animals. Also,

the Mid-State Fair Livestock Committee has passed a new rule that ALL swine must be clipped before arriving on the fairgrounds. No clipping of any kind will be allowed on the swine once they are on the fairgrounds.

**F**irst, feedback is requested: **Do you want to see the Mid-State Fair ultrasound the Replacement** *Continued on page 4.*

# Community Pride

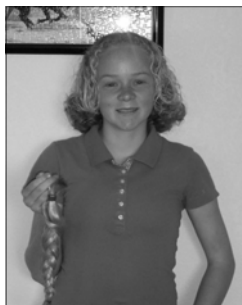

*Continued from page 1.*

We will be taking our treats to the Center all year long and celebrating with the fine men and women who live there. Our plans include our annual Halloween Carnival, our famous Holiday Door Decorating team, and a caroling trip to finish the year!

Vineyard Hills Health Center, in Templeton, provides hope for nearly 100 residents and they provide therapy for many more on a temporary basis. These wonderful men and women have given to, and worked very hard for, their families and society. Most of them have no one to visit them or spend time with them anymore, and need to know that people still care about them. We of Estrella 4-H feel very lucky to be able to provide all that we can for them."

**L**oretta Mazzo, Templeton 4-H (Proud) Community Club Leader, wrote, "Several of our 4-Hers and myself have decided to start

a project for Locks of Love. One of our members, Kasey Urman decided to jump right in and be the first to send off a 10" ponytail to Locks of Love. A brave thing to do for a 14 year old girl. As you know our 4-H club is very much into Community Service, and many of our girls are excited about this new project. We are going for a 14 month growing

first heard about Locks of Love through my 4-H Community Leader, Loretta Mazzo. She inspired me to cut my hair by telling me a story about when she was a little girl. She had a disease and her treatment caused her to lose all her hair. Her wig never stayed on right and slipped around and fell off sometimes. She was only five years old. They wouldn't let her go to school because it scared all the other kids. Today, Locks of Love makes the hair that people donate into wigs. Then a child picks out the hair they want, and gets it cut however they want. They treat it just like real hair. They can play sports and even go swimming with their wig on. I believe that donating my hair was a good thing to do. My hair is already starting to grow out again and it's nice to have a different hair cut. It is a little hard to get used to having short hair, but it's a lot easier to do my hair now. I would definitely recommend others to donate their hair. It makes you feel good that you did something to help another child." (*Sounds like there is a mutual admiration.*)

**W**ednesday, February 22nd the American Legion held

plan and will probably have a ponytail cutting event next year."

**K**asey Urman, Templeton 4-H, followed up to say, "I

their annual Valentines dinner for the members and the wives of the American Legion Post 220.

Templeton 4-H Community Pride group is always eager to attend all the American Legion dinners to help serve dinner and clean up the hall after these special event dinners. Pictured below are some of the members of Templeton 4-H Community Pride Project Group, who participated at the Valentine's Dinner.

**O**OPS! Allison Bryce of Los Osos 4-H, was missed in the February 2006 News & Views County Presentation Day results! Allison is a Primary Member, who presented at County 4-H Presentation Day, and her speech was titled, "Pumpkin Faces."
