The 2008-09 California Avocado Growers' Seminar Series CAC/CAS/UCCE "CREATING OUR FUTURE"

Tuesday, December 9, 2008

1:00pm - 4:00pm Cooperative Extension Auditorium

Production Research—Building for the Future

An interactive presentation on "creating your future in the avocado industry"

Dr. Guy Witney, Director of Industry Affairs CA Avocado Commission

Dr. Witney, supported by Production Research Committee members, will give insight into CAC's production research program: how it is structured and funded, and the rigorous process through which research proposals are subjected each year. They will provide a synopsis of the current slate of funded research projects and what the anticipated results will mean to YOU, the grower.

Q & A session will follow. Growers will have the opportunity to complete a questionnaire on their research needs for the future.

Mary Bianchi, Farm Advisor

mlbianchi@ucdavis.edu

The next seminar will be held February 10th, Same time, same place. Mark your calendar!

The first issue of the quarterly *Farm Water Quality News*, *electronic* news letter has been posted. If you missed it, you can register to receive future issues and provide suggested topics through our online registration at

<http://ucanr.org/fwqpnewsletter-reg>

To download the inaugural issue visit our website at: <http://cesanluisobispo.ucdavis.edu>

We are committed to conserving both natural and financial resources. To receive "Avocado Notes" for future seminars, lecture, series and events or other UCCE newsletters via email, Contact Sarah: swhipple@co.slo.ca.us
