Everyone is invited to celebrate Arbor Day with the City of San Luis Obispo. The Public Works Department, Tree Division, is sponsoring an Arbor Day Celebration. The fun starts at 10 am!

The City Council will award the winners of the art and poetry contest with t-shirts and certificates. The contest is open every year to schoolchildren in San Luis Obispo in grades 1-6.

The City Tree Crew can use your help to plant a few new trees in our commemorative grove. We will demonstrate the proper techniques to planting, staking and caring for young trees.

Thanks to our generous sponsors we will provide coffee and breakfast foods. Donations will be accepted to help cover future Arbor Day activities and tree plantings within our Urban Forest.
