9:00-9:15 *Introductions & Discussion Items*

- Learning Among the OaksBev/Bill
- Working Among the Oaks Jim/Bill
- Other Business/Update/Announcements All

9:15-10:30 *Presentation/Tour*

Field trip to One Cool Earth’s (<http://www.onecoolearth.org>) collaborative Pennington Creek restoration project that includes native tree plantings and a planned nature trail. Led by Lionel Johnston and Greg Ellis. This section of Pennington Creek is located along the western edge of Cuesta College just off Route 1 about halfway between Morro Bay and downtown San Luis Obispo. One Cool Earth is a San Luis Obispo-based nonprofit focused on growing and planting native trees for their many environmental, social, and economic benefits. For more information or to get involved in their frequent plantings and excursions, contact One Cool Earth at action@onecoolearth.org or call Greg Ellis at 760-382-5164.

Next NTC meeting: 15 Oct 2010—“Conservation at the Rancho Nipomo Dana Adobe” with Marina Washburn and others at the the Dana Adobe in Nipomo

Phone 805-781-5938 with questions or with additional agenda items.

Please note that the 2010 meeting calendar has been posted online at <http://ucanr.org/nativetreecommittee>; check the website for updates.
