Congratulations to everyone and our Young Achievers for your year of achievements & Community Service! This year’s Achievement Night was standing room only and a fun night. Next year, we have arranged to have even more chairs set up for this wonderful event honoring our 4-H youth’s achievements. We also want to welcome your 2008-2009 All Stars: Daniika Viborg of Templeton 4-H, Dagmar Derickson of Rio Rancheros 4-H and Claire Edmonds of Cerro Alto 4-H and wish them much luck with all of their endeavors this program year! TEMPLETON 4-H MEMBERS SHINE AT ACHIEVEMENT NIGHT 2008: The annual “San Luis Obispo County 4-H Achievement Night” was held last Saturday, October 11th at the San Luis Obispo Vet’s Hall. The theme for the evening was “Making Memories With 4-H”. It was a night filled with excitement and anticipation. What a great way to honor all of the hard working 4-H members who take such pride in their community and their clubs. JoAnn Overbey and the 2007-2008 San Luis Obispo County All Stars worked extremely hard to present this wonderful evening. I know that everyone in our county, and within our club, worked very hard just by the number of awards given out that night, way to go Templeton!

**SLO COUNTY ALL-STARS PAY A VISIT TO OUR LOCAL LEADERS—National 4-H Week**

On Tuesday October 7, 2008, the new 2008-2009 SLO county All-Stars, Claire Edmonds, Dagmar Derickson and I, Daniika Viborg, attended the San Luis Obispo County Board of Supervisors Meeting. We asked the supervisors to acknowledge National 4-H week, and to fly the 4-H flag at the Government Center in San Luis Obispo.

Everything went smoothly, and the supervisors presented us with a Resolution recognizing the National 4-H week and commending all of the 4-H members in our area for their hard work. Supervisor Patterson also shared some of his own 4-H experiences with the assembled group. We finished the meeting with the 4-H Pledge and it’s meaning.
**SLO COUNTY 4-H ROCKS PASO’S PIONEER DAY PARADE!**

This year at the 78th Annual Pioneer Day Parade in Paso Robles, members of the Templeton 4-H club and Estrella 4-H teamed up and helped represent all of SLO county 4-H by riding in the California Mid-State Fair’s Heritage Foundation’s parade float. The Heritage Foundation raises money for the Mid-State fair, and our local young livestock growers. Everyone had a lot of fun, and it was a great experience for all of us. **Templeton 4-H News:** On September 28, 2008 members of the Templeton 4-H Poultry Group attended the Annual Santa Barbara County Fair Benefit Show. This is always a great first event kicking off the Showmanship Season.

In the Intermediate division, Sierra Bryant, placed 1\(^{st}\). in Showmanship with a 97, and Larry Rose placed 2\(^{nd}\) with a 95. Best possible being 100! Way to Go Templeton 4-H!! Always to judge the class is the ever kind Brianna Grothe, who stumped Larry and Sierra on the same question, definitely a lesson learned. Larry and April Rose showcased a pair of ducks and received the honor of Best Junior Waterfowl. Sierra’s greatest award was Best Junior Rose Comb! Each member was seen smiling, holding multiple blue ribbons and commemorative mugs full of candy. It was a wonderful experience with new and old 4-H friends. Ranchita Canyon starts the year off strong! Ranchita Canyon has participated in many community service events already. We held the Family Fun Run Free Pancake Breakfast on September 28th and served food at the REMAX Client Appreciation BBQ in October. We also took part in National 4-H Week as we gave the downtown City of Paso Robles a taste of what 4-H is all about with our hayride through town.

On September 28th, we served breakfast as part of the Heritage Oaks Bank Family Fun Run in the Paso Robles downtown city park. We cheered on the runners and served them a free pancake breakfast.

On October 3rd, we donated our time to the REMAX Client Appreciation event. We served platters of tasty BBQ items to lots of their loyal customers. This event takes place annually at the Paso Robles Event Center. This was our third year assisting in this event.

Through guidance and support of Harris Stagelines, we were able to do our annual hayride through the Paso Robles downtown area. Harris Stagelines generously donated their time, and their wagon, and horses pulled us on a beautiful sunny afternoon full of fun through our terrific city. We were able to put our Ranchita Canyon banners on the wagon and proudly display our 4-H’ers sitting on haybales. We waved at all the people we passed and we were able to be a living expression of what 4-H stands for. On that same day, we were also invited to participate in a radio interview on KPRL with Dick Mason. We talked for about 2 hours about what 4-H means to all of us and what it means to be a 4-H’er. We were able to express which groups we were in and what types of events we participate in. We also discussed our community involvement and our service activities. We did all of this on October 6th to kick off National 4-H Week. Submitted by: Chase Manske, Reporter

Toys for Tots volunteers deeply appreciate your participation in our toy collection in 2007! They were able to gather 8,000 toys in San Luis Obispo county which brought a joyful Christmas to nearly 4,000 local children who would otherwise have received few, if any, gifts.

There will be a Toys for Tots “barrel” set up at the 4-H office and ready to receive toy donations by mid-November. The United States Marine Corps Reserve ask that toys be new and un wrapped when dropped off at the barrel.

Each year gets more and more exciting, as more and more toys are placed in the barrel. The Marine Corps Reserve representatives will come by and empty the barrel as often as necessary. You should see how quickly the barrel fills up each week.

The last pick up of donations will be on Friday, December 19th, 2008.

If you have any questions about the Toys for Tots program, please call Karen Ludwig, Community Service Key Leader at 461-1977.

The SLO Co. 4-H Adult Leadership Committee is seeking nominations of outstanding adult volunteers to receive scholarships to attend the 2009 Western Regional 4-H Leaders' Forum. This year’s forum, “Roundup in the Rockies” is being held at the Denver Marriott City Center in Denver, Colorado on February 25 – March 1st, 2009. The Forum brings together over 500 volunteers from the 13 western states to share ideas, learn new skills, and have FUN!

This year, several scholarships are available in the amount of $225, which includes the conference fee and six meals. Scholarship recipients must be willing to pay for their own lodging and transportation to and from the conference. Rooms at the Marriott are $119 per night, single occupancy, and roundtrip airfare from San Luis Obispo to Denver is approximately $325.

Nomination Criteria:

1) has been a leader for at least two years and has reenrolled for the new program year;
2) evidence of outstanding teaching/leadership skills;
3) willing to pay their own transportation and lodging fees for the conference;
4) have not received this scholarship previously.

Clubs, adult volunteers, and 4-H members may all nominate leaders for scholarship consideration. Leaders may even elect to nominate themselves. If you are nominating someone, please check with them to make sure they will be able to provide for their own transportation and lodging, or better yet, plan a club fundraiser to help cover their expenses.

Nomination forms are available through your Community Club Leader, in the 4-H office (781-5943), and online at slocounty4h.org under the subheading “Applications”. Nominations are due November 15th in the 4-H Office. If you have any questions, please call Evelyn Rockwell at 466-4383. To learn more about the conference, visit www.colorado4h.org/wrlf09.
Food Safety Training for Clubs
November 14, 2008

A food safety training workshop for 4-H Clubs, “Make it Safe, Keep it Safe,” is scheduled for Friday, November 14, 2008, from 1:00-4:00 p.m. in the UCCE Auditorium at 2156 Sierra Way in SLO. The University of California requires every 4-H Club to have a representative certified in food safety and attendance at this workshop meets that requirement. The training will be offered by Shirley Peterson, Nutrition and Family Science Advisor, and will teach participants how to ensure food served at 4-H meetings or events remains safe and free of food poisoning bacteria. Participants will receive a Certificate of Completion and that individual will be certified to share food safety information with other 4-H leaders, members and their families.

If you are interested in representing your club at the workshop, please contact your Community Club Leader. (NOTE: Clubs who currently have an adult volunteer who is certified in food safety or attended the training last year are not required to send a representative again this year.)

SLO County 4-H Youth Development Program

Fundraising Success—THANK YOU!

As most of you may know, the 4-H program in SLO County holds only one major fundraiser each year. The money raised at that event is then used to support all of our countywide events, including Presentation Day, Achievement Night, 4-H Field Day, Food & Arts Celebration/Fashion Revue, Horse Field Day, and Level Testing. In addition to funding events, the money goes to purchase all of our county awards and medals, and allows us to offer a variety of youth and adult conference and monetary scholarships. We are also able to offer training and educational events for leaders and members, as well as maintain a presence at local forums such as Children’s Day at the Plaza. These are just some of the ways the money is used to benefit each and every 4-H member throughout San Luis Obispo County.

How many of you can name the annual fundraiser in SLO County? The answer: our annual Chicken-Q and Silent Auction at 4-H Field Day! Thanks to you, it was a great success and raised over $20,000 this year—which may be a record achievement—and will help us continue to improve and expand opportunities we provide to our members.

On behalf of the 4-H Youth Development Management Board, “THANKYOU”!

It cannot and would not happen without the support of all of our leaders and 4-H families, as well as the adults and youth members who pitch in to organize and put on these events. Thank you for your time, generosity and ongoing commitment to the 4-H program. This is an instance where you have made the best better in SLO County.

SLO County 4-H YDP Management Board

Open Position -- Visibility Director

We are currently recruiting for the position of Visibility Director on the 4-H Youth Development Program Management Board. The Visibility Director is responsible for managing and providing leadership to the visibility and public relations efforts of the SLO County 4-H YDP. Program Visibility may include submission of newspaper articles and coordination of 4-H public events throughout the county. This interesting and challenging position serves a two-year term on the board.

The purpose of the board is to oversee the management aspects of the San Luis Obispo County 4-H Youth Development Program. Overseeing includes both policy making and the implementation of the policy, as well as basic management decisions relating to the program. In addition to basic management responsibilities, the board is responsible for the following specific areas: awards, finances, fundraising, leader complaints, liaison with fairs, liaison with regional and local councils, and visibility. 2009 California Citizenship Focus
June 26 - 30, 2009

California Focus is a unique 4-H Citizenship educational experience that combines hands-on participation in workshops, debates, and simulations with outstanding speakers and visits to historical, cultural, and governmental sites. California's capital city, Sacramento, becomes a "living classroom" for this five-day, action packed adventure. It also includes plenty of time for fun and making new friends through organized recreational activities, a dance, and a dip in the pool. This year the California Focus delegation will also be attending a performance of Lion King at the Sacramento Community Center Theater.

As a citizen of "Sierra Cascade" you will register to vote, conduct a political campaign, elect constitutional offices, analyze the needs and issues of your district, and enact legislation with the goal of securing the governor's signature to make your bill a law. Legislative appointments at the Capitol will allow delegates to meet face-to-face with their senators and assembly person to discuss current issues, learn how proposals are funded, and advocate for issues critical to them and their fellow constituents. Delegates also prepare and present a "Plan of Action" to implement back home in their respective communities.

Enrollment is open to all 4-H members that have completed the 8th grade and adult leaders 25 years of age or older. The registration fee is $495 for youth and $590 for adults. The registration fee includes:

- 5 days/4 nights lodging at the hotel with most meals included
- Program tuition and educational resource packet
- Admission and transportation for field tours
- Mandatory pre-travel orientation program

Registration forms and additional information are available at www.ca4h.org/citizenship/focus/ and in the 4-H office. Completed registrations along with a $100 deposit are due in the county 4-H office no later than January 4th with the remaining balance due by March 15th. Please make all checks payable to "SLO Co. 4-H YDP". If you have any questions, please call Julie Maggiore, 4-H Program Administrative Assistant, at 781-5941.
