## DISTINCTIVE LEADERS in 2015-2016!

The San Luis Obispo County 4-H Youth Development Program is excited to announce our countywide awards program — **“4-H Youth of Distinction!”**

The **4-H Youth of Distinction (YOD)** award focuses on honoring 4-H members who demonstrate leadership skills in their 4-H clubs, schools and in the community.

The **4-H Youth of Distinction** Award is achieved via a nomination basis. 4-H members are nominated by any adult volunteer, with the exclusion of family members. **Note:** All 4-H YOD Nomination Forms must be approved by the nominee’s 4-H Community Club Leader. Nomination forms must be received in the 4-H office by **Friday, February 26th, 2016**.

The **4-H Youth of Distinction** Award recognizes 4-H members in three different categories/grades: (6th, 7th), (8th, 9th) and (10th, 11th, 12th). Nominees will be evaluated; and up to 20 youth will be selected to receive the San Luis Obispo County **4-H Youth of Distinction** Award!

A letter providing detailed information along with the Nomination form will be sent to all SLO County 4-H Community Club Leaders and the **YOD Nomination form can also be accessed on the county website** [http://ucanr.edu/sites/slo4-h/Club_Forms/](http://ucanr.edu/sites/slo4-h/Club_Forms/)

Canyon Country 4-H County Pop-Top Campaign!

With the new 4-H Program Year starting, the Pop-Top Collection Drive is still going strong! We need EVERYONE’s help to make this the BIGGEST collection year EVER!

This year our sponsorship of the Pop-Top Collection has a generous matching donor. That means that every donation we make, say 100 pounds of pop-tops, becomes 200 pounds!

They’re everywhere! Pop-Tops are hiding on soda cans, pet food cans, tuna cans, even fruit cans and we are ALWAYS collecting!

These Pop-Tops, and the money made from them go directly to our local Ronald McDonald House of Central California. This House is attached, by a sidewalk, to Children’s Hospital of Central California. Every penny goes to provide rooms and care for the families whose children are in the hospital.

A night at the Ronald McDonald House is only $15 (no one is ever turned away if they can’t pay). The family gets a beautiful room, with a private bathroom, furnished for their comfort. Volunteers come in each evening to prepare wonderful home cooked meals for the families. To these families, nothing is better than knowing you are cared for so you have no worries but to help your child get better and go home.

Please collect all pop-tops and drop them off at the 4-H office or call Pam Morring at (805) 286-8505, and make your donations count!

Popping a top for Ronald McDonald House is fun Community Service and it’s the right thing to do!! Thank you!

Jesse-Ray, Canyon Country 4-H Community Service Teen Leader

CREATING SAFE SPACES
FOR LGBTQ+ YOUTH IN OUR SCHOOLS AND COMMUNITY

Growing up LGBTQ can expose young people to a lot of Criticism, Rejection, Assess and Pressure (CRAP) in their lives. This session is designed to provide participants with ideas for creating a safe and supportive environment for all young people, but specifically for LGBTQ youth. We will explore both institutional responses, including policies and practices for youth-serving organizations and strategies, and ideas for building assets with individuals.

Presenter: Clay Roberts
Clay Roberts is an author, consultant, program developer and nationally recognized speaker. Clay has been a senior consultant to Search Institute and has served as a prevention consultant to several state and federal agencies. This will be a highly engaging, practical session for anyone who has an important young person in their life.

We are most fortunate to have someone of Clay Robert’s caliber to speak to our community about such an important and timely issue.

Intended Audience: Youth serving professionals, educators, parents and interested youth and adults.

It was a gorgeous Saturday morning, on October 31st, when the Huasna Valley 4-H Kayaking Group paddled into the deep waters of Avila Bay. They braved the large, foaming waves and spied on the beach fowl. On their trip, the group watched the sea otters, sea lions, and birds, raced through the deep blue waters, and explored the rocky cliffs around the lighthouse. Guided by their fearless leader, Paul from Central Coast Kayaks, and Project Leaders Beverly Poorman and Laura Heinrich, a great time was had by all.

On November 16, 2015, my Santa Margarita 4-H Dutch Oven group got together and made a Thanksgiving-themed feast. Each member brought the ingredients for a dish and cooked it at Santa Margarita Park. Damenika H. made glazed ham and Camille P., Harper P. and Leland P. made sausage and apple stuffing. Our group leader, Jennifer B. made mashed potatoes and green bean casserole. Analisa C. made pumpkin pie. Sarafina T. made homemade gravy. Everything was made in the Dutch oven, even the pie! We ended the evening by making ice cream in Ziploc bags. Sarafina T. brought the ingredients. We had an amazing day!
