

LOCAL 4-H HORSE PROJECT MEMBERS WIN NATIONAL EVENT!!

After qualifying for the National 4-H Horse Classic at the 4-H State Classic last year, competitors Lorine and Christine Allen from Edna 4-H came back from Denver, Colorado with many awards and trophies.

Christine won first place in Individual Demonstration - a National Winner!! Lorine helped her State Horse Judging Team place a solid Tenth. The California team won the *High Point State Overall* award and the National Championship!

The experience was certainly more than just the trophies, scholarships and other awards earned... the sisters met fellow 4-H members from all over the country! Inspiring speakers, educational workshops, local tours, other activities and contests rounded out four wonderful days of fun at the 2010 National Western Roundup! Participants also had the opportunity to go the National Western Stock Show. This is an amazing opportunity for those 4-H Horse members interested in horse educational competition. This year's State Horse Classic competition will be held April 24-25 in Reedley, California. Lorine and Christine thank everyone for the tremendous support and encouragement from our local 4-H community!

26th Annual Double Youth Rabbit Show

sponsored by Cerro Alto 4-H
Saturday, March 27, 2010
Cal Poly Farm Shop - 9 am

There will be Breed Judging and Showmanship and the show is open to youth 18 years and under. The day will be fun and educational. It is also a great opportunity to see a variety of breeds, and buy your first rabbit or an additional furry friend to take home. **Call the Cerro Alto 4-H leaders for more information.**

Leslie Bryson - 466-2264 or Lois Williams - 461-0178

On January 12th the **Cerro Alto 4-H Rabbit group** met in the library at Santa Margarita School. Jenna Winslow gave an informative presentation on how to make rascal rabbit treats. Next, each person was given a piece of paper with the name of a rabbit body part. Together they pinned all the parts on a bulletin board with a picture of a large rabbit. Each member was given a rabbit handout with all the body parts label, so they can study for a quiz to be given at their February meeting. Lastly, the group is now preparing for their club sponsored rabbit show, to be held in March. Each member will be asking the community for individual and business sponsorships to be printed in the program. In the past, the group has enjoyed sharing their rabbits, learning about the different breeds and varieties, and learning the steps for showmanship. If you have any questions about the Rabbit Show, March 27th, call Leslie Bryson - 466-2264. *Submitted by Carly Donk*

The **Cerro Alto 4-H Fishing Group** met at Morro Rock to do some poke poleing on Sunday, Nov. 22. Poke poleing is done by putting a hook tied to line with squid, and putting it in very little cracks between rocks, and in very shallow water. We used squid to catch about five or six Monkey Faced Eels, and five or six Cabezon Rockfish, and one or two Gopher Cod. All the fish were too small to keep, but it was lots of fun. Jeremy Donk and Ryan Griffin gave a presentation on salt water and fresh water fish of the Central Coast. Leader Rodney Brock, and the members all had a fun morning in Morro Bay!

ESTRELLA 4-H's Wonderful Float

This year Estrella 4-H participated in the Paso Robles Christmas Parade. Members, parents, and grandparents gathered behind Chase Bank on Saturday, December 5th to decorate our float. On the float, we had loads of exquisite designs such as; hay, lights, and much more. There were a lot of other people in the parade such as 4-H groups from all over the county and Heaven Can Wait—where Estrella 4-H volunteers frequently. We sang lots of Christmas carols as we rode on the float. In the end, we got 2nd place in our Division. "We had fun and hope to be in the parade next year and maybe move up a little. Even if we hadn't placed, we would have had a lot of fun" said many of the members from Estrella 4-H. *By Sydney Vinther*

IMPORTANT MID-STATE FAIR NEWS

Date: January 13, 2010

To: 4-H Community Leaders, 4-H Project Leaders,
Sheep Exhibitors and Parents

From: Vivian Robertson
CEO, California Mid-State Fair

Due to blatant disregard of adhering to State Rules during the 2009 California Mid-State Fair, please be aware of new policy that has been put in place for the 2010 Fair.

Most specifically, the violation of the State Rule that was not discovered until too late pertained to market lambs and tail docks. Please be aware that the existing State Rule regarding sheep tail docking will be monitored very closely and strictly enforced upon arrival at the 2010 Fair. The State Rule specifically mandates the following rule: to qualify to exhibit, market lambs and breeding sheep must be docked such that the tail (dock) is healed and can be lifted from the exterior. Lambs that have no dock will not be eligible. Breeding animals born before January 1, 2000 are exempt. This rule will be strictly enforced in 2010 and the official veterinarian designated by the 16th DAA shall make the final determination. All lambs will be checked; market lambs will be examined prior to weighing on the scale, and breeding sheep will be checked in the pens. If a sheep (market lamb or breeding sheep) does not meet the State Rule standards, it will be sent home immediately and disqualified from show competition.

Additionally, the following is a new rule adopted as policy for the 2010 Fair: All lambs must have no more than a 3-day fleece and be fully shorn prior to arrival on the Fairgrounds. No wool will be allowed to be left on any areas of the sheep. Lambs will pass through a "check station" for inspection of the tail and examined for any fungus, prior to being allowed on the scale. The official Fair Veterinarian designated by the 16th DAA shall make the final decision. Any lambs showing evidence of fungus shall be immediately rejected and sent off of the Fairgrounds.

Please ensure that all leaders, parents, exhibitors, and breeders are informed of these new rules prior to purchasing your 2010 Fair animals.

4-H CLUB NEWS

This winter **Morro Bay 4-H** has been busy. In November, Emme Haas and Amanda Weddle planted trees at Lila Keiser Park for Morro Bay's Arbor Day Celebration. They represented 4-H by wearing their whites. In December, our club served dinner at the Maxine Lewis Homeless Shelter. We provided meals two different nights and also served baked goods. Thank you to all the members who helped out and Carla's Country Kitchen for providing and preparing the food. I would like to thank those who did bell ringing for the Salvation Army. There were some cold evenings but it was successful. Morro Bay 4-H also had a holiday potluck where we sang songs, listened to music, had a gift exchange, had a great meeting, and ate a delicious meal. During this meeting members brought toys for Toys 4 Tots and brought in jam/jelly for our local Salvation Army. Thank you to our club members for their generous donations!

The new **Cerro Alto 4H Baking and Bread Making group** met on Thursday, December, 10th. We met in our leader, Tracy Johnston's 'home kitchen'. Before the baking began, we made holiday placemats for the residents of the Country Care Convalescent Hospital in Atascadero. The place mats were given to them to be used throughout the holiday season.

The members learned the ingredients and directions to make "Tracy's Potato Buns." There were some basic ingredients that most people have in their kitchen, but you do need buttermilk and russet potatoes too. The real challenge was learning how to properly knead the dough, but after a little practice, we all got it! After making them we all enjoyed eating the delicious buns. Kali Denison made a presentation to the group about how to make her favorite chocolate chip cookies. Not only did we learn how to make something new, we always learn more basics about cooking and clean up. The group looks forward to more baking fun in January. *Submitted by Jeremy Donk*
