Bring the World Home! Can't find the time and money to travel? Enjoy the exposure to different cultures which travel brings? Looking for a low-cost experience for the whole family? The California 4-H Japanese Exchange Month-Long Hosting Program allows families to gain the benefits of international travel right here at home by hosting an exchange student from Japan. U.S. families often find they are drawn closer together and see their lives in a whole new perspective as they welcome a student into their home. The only hosting requirement is that families must have a child of the same gender and close in age to the Japanese student.

Japanese youth, ages 12 – 16, will visit California from July 22 to August 18, 2009. The students are members of the Labo youth development organization that offers an integrated program of youth development, language learning, and cultural awareness for Japanese youth and their families. Come join the fun. ~ RECORD BOOK TIP OF THE MONTH ~

Are you looking for ideas for Citizenship/Community Service to earn those Star Ranks?

Now that there are required numbers to earn your Silver (20), Gold (30) and Platinum (40) here are the three categories that generally will apply.

- ***Volunteering** - time to help others
- ***Giving** - of supplies or money to help others
- ***Educating** - oneself about community issues

For those animal projects, think about activities that fit within these three categories:

*Community service activities - repairing fences, horse therapy, volunteering at animal shelters, collecting supplies, etc.

*Helping members learn about issues involved in the industry, what they can do to help find solutions, and educate others.

*Help members learn about the history of the industry.

Do remember though that in order to take credit on your PDR for a Citizenship/Community Service project it must be a planned, publicized and approved citizenship, service-learning or community service activity. Publicized means that it must be announced and open to no less than your club level - which means the activity must be announced and open to other 4-H members.

Please do not hesitate to contact me with any questions about this.

JoAnn Overbey - Awards Director (evenings) 528-8232

Record Books. The buzz, the thrill...the REASON.

We all know why 4-H members complete a Record Book. Right? Well, if you're not *entirely* sure, take a look at these reasons just for starters.

By completing a Record Book, 4-H members...

-  ...take time to think about the work they did over the past year and all they have accomplished. *What new skills did I learn? What new experiences have I gone through? What did I learn from them?*
-  ...set goals for the next program year, as well as long terms goals and plans. *What do I need to do now in order to achieve my goals? What steps are involved to get there from here? When and how will I start?*
-  ...track their participation in 4-H activities and keep a record of achievements. Record Books are a great resource for listing accomplishments on future applications or documents. *Wow, I did so many things--how would I have remembered everything if I hadn't kept a written record?*
-  ...learn about and practice the art of identifying, creating, classifying, communicating and preserving records in a standard format. Not only is this an art, but it is a skill that will come in handy throughout your life. *(Ask anyone.)*

Oh, and did I mention achieving Star Ranks?! These are just a few of the benefits of completing a 4-H Record Book. I'm sure you can think of a lot more.

If you would like to learn more about 4-H Record Books and how to complete them, please come to a training session offered by JoAnn Overbey, Awards Director for San Luis Obispo County.

Templeton 4-H News:

December has been Templeton's 4-H community service time to shine checked our closets and brought Coats for Kids. We purchased toys for tots that are distributed from the Plymouth Church in Paso Robles. We collected can tops and used glasses for the Lions Club.

December 6th our beef group decorated our town with wreathes for about the 30th season. During Templeton's cowboy Christmas our goat group sold their soaps and woolen goods. That same evening was Paso Robles 47th Christmas light parade. The Viborgs made the float a real 'happening' for Templeton 4-H.

December 13th we may have made a record for participation with ringing the bell for the Salvation Army at the Target Center. More than 45 4-H'ers and parents shared the cold to share the 4 hour stint.

Templeton 4-H'ers show their pride for their community! Submitted by: Larry Rose
